Our mission at "Bersihkan" is to leverage technology's potential and create innovative apps that propel our country towards a future unburdened by the challenges of waste management. With a passionate team of experts, we are dedicated to developing cutting-edge solutions that revolutionize the way we approach and address the issue of garbage. Through our user-friendly apps, we empower individuals, communities, and businesses to actively participate in building a sustainable and waste-free society. By providing practical tools, resources, and knowledge, we enable our users to make informed decisions and take responsible actions towards waste reduction and proper disposal. Together, we can create a cleaner and healthier environment, preserving the beauty of our nation for future generations while leaving behind a lasting legacy of sustainable practices.

# Halaman Register

## REGISTER

User dapat mengisi form untuk membuat account dengan cara mengisi input sesuai dengan format yang diminta

User yang menekan button register akan membuat account dan langsung berpindah ke page home setelah log in

The diagram shows a registration form within a light gray rectangular frame. On the left side of the frame, there is a vertical gradient bar transitioning from light orange at the top to light red at the bottom. Three input fields are positioned on the right side of the frame, each enclosed in a red-bordered box:

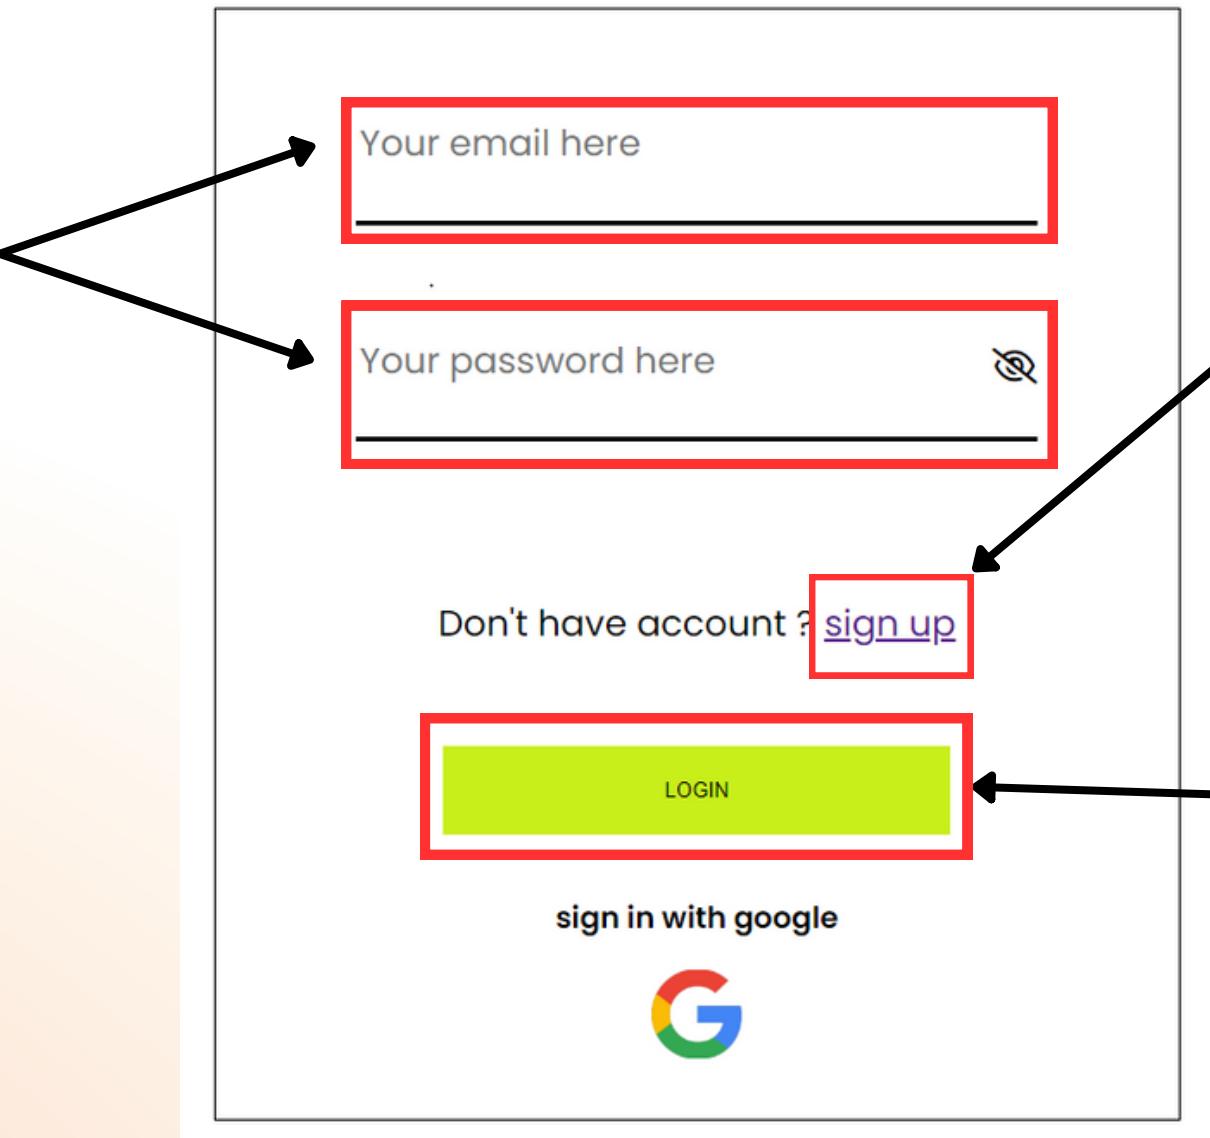

- A text input field labeled "Your name".
- A text input field labeled "Your email here".
- A text input field labeled "Your password here" which includes a small circular icon with a lock symbol.

Below these input fields is a large green rectangular button with the word "REGISTER" in white capital letters. A horizontal arrow points from the text "User yang menekan button register akan membuat account dan langsung berpindah ke page home setelah log in" to the "REGISTER" button. At the bottom of the frame, there is a link labeled "sign up with google" next to the Google logo.

The screenshot shows a mobile application interface for managing recycling orders. At the top, there is a navigation bar with three horizontal lines, the text "bersihkan", a circular icon with a yellow gradient and the number "1000", and a user profile icon. Below the navigation bar is a section titled "Recycle List" enclosed in a red rectangular border. This section contains four colored boxes representing different order statuses:

- A yellow box labeled "1 Need Confirmation" with a person icon.
- A blue box labeled "2 Process" with a clock icon.
- A green box labeled "0 Done" with a checkmark icon.
- A red box labeled "2 Declined" with a warning triangle icon.

Each status box has a "Show" button at the bottom. Below this section is a detailed view of a specific order, presented in a white rounded rectangle. It includes the following information:

- Location:** Jakarta Selatan, DKI Jakarta, Jakarta (with a location pin icon).
- Date:** 2023-06-19 (with a calendar icon).
- Weight:** 290 Grams (with a funnel icon).
- Notes:** I put the garbage in front of my house (with a pen icon).
- Status:** Need Confirmation (displayed prominently on the right side).

# Halaman Tentang Kami

**"Unleashing the Power of Technology: Transforming our Nation into a Garbage-Free Paradise with our Innovative Apps"**

We are driven by a singular purpose: to harness the potential of technology and create innovative apps that will lead our country towards a future free from the shackles of garbage.

## Our Mission

In building a promising future, one crucial aspect that often goes overlooked is responsible waste management. At "Bersihkan", we recognize the immense impact that proper garbage disposal can have on the environment and society as a whole. With our innovative solutions and unwavering commitment, we aim to revolutionize the way you perceive and manage your garbage. Through our cutting-edge technologies and user-friendly apps, we empower individuals and communities to take charge of their waste and make sustainable choices. We provide comprehensive resources, guidance, and practical tools to streamline the waste management process, ensuring that every action you take contributes to a cleaner, healthier environment. By embracing responsible waste management practices, we not only minimize the detrimental effects of garbage on our surroundings but also pave the way for a more sustainable and prosperous future. Together, we can safeguard our natural resources, preserve the beauty of our landscapes, and create a legacy of environmental stewardship for generations to come. Join us on this transformative journey towards a promising future, where responsible waste management is not just a necessity but a shared commitment to building a better world. Together, let's construct a sustainable tomorrow by taking control of our garbage today.
